PROFESSIONAL SUMMARY

Cybersecurity student at Munster Technological University (MTU) pursuing a Bachelor of Science in Information Technology with a Cybersecurity pathway.

Hands-on experience in Security Operations (SOC), Digital Forensics and Incident Response (DFIR), log analysis, network traffic analysis and Linux administration.

Completed over 50 SOC investigation exercises, 20+ Wireshark network investigations, CyberDefenders DFIR labs, LetsDefend Blue Team challenges and Linux security labs.

Strong interest in Security Operations, Incident Response, Threat Detection and Digital Forensics. Seeking an internship, graduate position or entry-level role in Cybersecurity, Security Operations or Information Security.

Core Cybersecurity Skills

Security Operations & Incident Analysis

- Security Monitoring
- Log Analysis
- Incident Investigation
- Threat Detection
- IOC Identification
- MITRE ATT&CK Fundamentals
- Digital Forensics Fundamentals

Networking

- TCP/IP
- DNS
- DHCP
- HTTP/HTTPS
- Routing & Switching Fundamentals
- Network Traffic Analysis

Security Tools

- Wireshark
- Wazuh
- Windows Event Viewer
- GitHub

- Linux Terminal

Operating Systems

- Windows 11
- Ubuntu Linux (WSL)
- Linux Command Line
- Basic Bash Scripting

Other Skills

- Technical Documentation
- Problem Solving
- Analytical Thinking
- Research Skills
- Microsoft Office
- Google Workspace

CYBERSECURITY PROJECTS & PRACTICAL EXPERIENCE

SOC Analysis Portfolio

Completed 50+ incident analysis exercises covering:

- Brute Force Attacks
- Privilege Escalation
- Persistence Techniques
- Account Compromise
- Lateral Movement
- Authentication Analysis
- Timeline Reconstruction

Documented findings and produced investigation reports using a structured SOC analyst methodology.

CyberDefenders DFIR Portfolio

Completed practical Digital Forensics and Incident Response investigations involving:

- Malware Analysis
- Memory Forensics
- Network Forensics
- Threat Intelligence
- Open Source Intelligence (OSINT)

Created investigation reports and documented findings in GitHub repositories.

Wireshark Network Analysis

Completed 20+ packet analysis investigations covering:

- DNS Activity Analysis
- HTTP Traffic Analysis

- Suspicious Network Behaviour
- Malware Traffic Analysis
- TCP Stream Investigation

Linux Practice & OverTheWire Bandit

Completed Linux labs focused on:

- File Management
- User Management
- Permissions
- Process Analysis
- Log Investigation
- Linux Command Line Operations

Currently progressing through OverTheWire Bandit exercises.

Wazuh SIEM Lab

Configured and explored a Wazuh SIEM environment to monitor security events, investigate authentication alerts and analyze security logs.

- Monitor Security Events
- Investigate Authentication Alerts
- Analyse Security Logs
- Understand SIEM Workflows and Alerting

EDUCATION

Munster Technological University (MTU)

Bachelor of Science in Information Technology (Cybersecurity Pathway)

Current Student

Completed Modules

- Networking Fundamentals
- Systems Scripting
- Modular Programming
- Cyberethics
- Physical Computing
- Programming Fundamentals
- Web Development Fundamentals
- Maths for Computer Science

Current Modules

- Linux Administration
- Computer Security Principles
- Routing & Switching Concepts
- Computer Architecture
- My Toolkit for University

CERTIFICATIONS & TRAINING

Completed

- Cisco Networking Academy – Computer Hardware Basics
- Cisco Networking Academy – Operating Systems Basics
- CyberDefenders DFIR Labs
- LetsDefend Blue Team Labs
- Malware Traffic Analysis Labs

Currently Studying

- Microsoft SC-900: Security, Compliance and Identity Fundamentals
- OverTheWire Bandit
- Linux Administration Labs

PROFESSIONAL EXPERIENCE

PM Admin

DesignPro Automation, Rathkeale, Co. Limerick

October 2022 – Present

- Provide administrative support to project management and sales teams
- Coordinate project documentation and records
- Support communication between departments
- Maintain project-related reports and documentation

Bus Driver

Mannings Coaches, Co. Limerick

August 2018 – July 2021

- Delivered professional customer service
- Maintained compliance with transport regulations
- Demonstrated reliability, responsibility and time management

LANGUAGES

- Romanian – Native
 - English – Advanced
-
